1. What part of the Guide did you find most useful?
2. Was there a part that did not work effectively? Can you suggest changes that would help us improve the Guide?
3. Are we missing some resources that should be listed? If so, what is the resource? And, (if you have the information) how do we contact people to find out the details?
4. If you got (or tried to get) a specific home repair or energy efficiency/disability adaptation upgrade, what was your experience?
